

**COUNTRY: Switzerland**  
**Swiss National Science Foundation (SNSF)**

Swiss applicants are advised to get in touch with the respective National Contact Points in order to check who is eligible to apply and what costs are eligible before submitting the complete application. Please note that Swiss applicants need to submit an application to [mySNF](#) in parallel to the submission of the main application.

**Eligibility**

All Swiss applicants must meet the eligibility requirements of the SNSF. The [SNSF Funding Regulations](#), the [General implementation regulations](#) and the [Regulations on Project Funding](#) are applicable or applicable mutatis mutandis. Please note that private companies are not eligible for funding.

**Funding modalities**

A maximum amount of CHF 250,000 is allocated per project. Article 8, paragraph 1 of the [Regulations on Project Funding](#) defines the eligible costs:

- Salaries of scientific and technical staff in research projects within the scope of the salary ranges and rates prescribed by the SNSF;
- Material costs that are directly related to the research work, namely material of enduring value, expendable items, field expenses, travel expenses, third-party charges, cost of computing time and data as well as of providing open access to research data;
- Direct costs incurred through the use of research infrastructure linked to the research work;
- Costs for the organisation of conferences and workshops in connection with the funded research;
- Costs for national and international cooperation and networking activities carried out in connection with the funded research.

Swiss applicants may not apply for their own salaries.

**Submission**

Swiss applicants must submit an application via the online submission system [mySNF](#), in the category *Programmes (national and international)* → *Horizon Europe Complementary Measures* → **International Initiative Climate Change NFRF 2023**. The deadline for the Swiss submission is 12 September at 17h.
